TEAS, TEAS Washington, D. C. Agency of the New York CANTON TEA COMPANY.

THE OLDEST TEA ESTABLISHMENT IN AMERICA!

PRINCIPAL ESTABLISHMENT IN NEW YORK.

THE CANTON TEA COMPANY has been popularly known for many years. This is the largest and oldest Tea Establisment in America.—The public have had full proof of their integrity and responsibility. But such has been the great and pressing demand for their TEAS of late, that they have been obliged to enlarge, to a great extent, their two principal establishments in New York, viz: 125 CHATHAM AND 163 GREENWICH

They moreover possess facilities, in relation to the Tea Trade, in a very abundant degree, and doubtless, superior to any other Tea Concern in America. Their scrupulous regard to all principles that tend to elevate the character of a large house, is well understood, and has already secured them a connection, probably, larger than all other Tea Establish ments united, and they consequently are determined to sell Teas purer, more fragrant, and perfect for the prices, in the aggregate, than any house in the worl!—China excepted.

They most zealously invite the attention of the in-

habitants of WASHINGTON, D. C., to their Agency, where the following assortments are always on hand; and they feel no hesitation in stating that wherever a single trial is made, a very decided pre-ference is given to the celebrated Teas of the CAN-

TON TEA COMPANY.

DR. C. A. Van Zandt's Health Restorative Pills is a medicine which not only cures but prevents disease, capable of great results, and equally calculated to be safely used for apparently small ones. We all know how dreadful and dan-gerous a seated bilious disorder is, and we are also well aware of the seeming insignificance of its first warnings or incipiency. The individual suffering from slight pains in his chest, back, or stomach, or from occasional nausea, dull headache, extreme nervousness, sleeplessness, trifling prevarication of ap petite, and other disagreeable visitations so common-ly and foolishly looked upon as unimportant, may not know that these symptoms, treated so contemp tuously, are the consequences of a diseased state of the liver, which if not remedied, will lead either to speedy death or a long train of unbearable ills which are known by the following names: Hypochondria, mania, dizziness, slow fevers, epilepsy, asthma dropsy, rheumatism, chlorasis, convulsions, nausea. nervousness, crapms, gout, pleurisy, jaundice, irrita-bility, and violence, dyspepsia, hysterics, scury, foul stomach, dry coughs, glandular affections, colds, lingering sore throats, various disorganizations of the great intestinc, strictures and spasmodic complaints internally, eruptions, shortness of breath, heartburn neuralgia, vital inflammation, flatulence, gastric fe vers, &cc.

Sometimes, too, there ensues an irregular action of the heart. Take these pills and suffer no more.
